Next Meeting *March 27th*

Always the last Thursday of the month

Our Club

Our club is a group of people interested in recovering artifacts, coins, and other interesting items from the past and various historical research topics. Meetings are held on the last Thursday of every month at the back door behind Evangel Community Church on 76 Sandy Street in Chatham. Guests are always welcome. At each meeting members may enter their finds of the month in the Finds of the Month Competition. The programs consist of talks by club members or invited speakers, slide or video shows, artifacts displays or demonstrations of new products.

The club maintains a small library of books, magazines and maps, which may be checked out for one month.

Our club strives to improve the public image of detector users and other amateur historical collectors. We therefore abide by the Code of Ethics.

We can be contacted by email at
Info@ckmetaldetecting.com

Old Bussiness

New Bussiness

Andy made the motion to give the church 100 dollars for use of the church. Seconded by Phil.

Andy gave a report on the CanAm hunt to be held on April 27th in Livonia, Michigan.

It was brought up by Garry that each person attending should pay \$20 dollars each instead of taking money out of the kitty. ***At this time, as president I will make the motion that the club donate a further 100 dollars from club funds to be paid by the club as we are sponsors for this event! If we think we are going for just 20 dollars, we are wrong! The cost is \$30 dollars so, if the club pays 100 and we pay 20 a piece on our own, this will be the same as \$30 a piece with the club picking up the tab for \$10 per person...it is not the idea for our club to make a profit off this hunt.*** Gregory made a motion to donate \$200 to the CanAm hunt, seconded by Phil and all members that want to attend

pay their money to the kitty. That way if more than ten people attend our club **will make money on it..... No!!!!**

Garry and Rick have two rooms booked in Grimsby for the Stoney creek hunt.

We need a lot of donations for our treasure chest, please! **The chest will be at the next meeting, so this would be a good time to bring in your donations**

Garry also wants to know if any club members would be interested in going away for a hunt weekend.

Break at 7:50pm

Meeting re-started at 8:10pm

Phil has been buying coins and rings and wants to get \$100 towards our fall hunt. Marion made the motion and it was seconded by Gregory to give Phil the money.

Dave Crundwell is doing great after his operation.

Garry mentioned that our club should have cards sent to members that are sick or for someone who passed away.

Fred mentioned about a family in California that was walking their dog on their property and found three cans of gold coins worth about ten million dollars.

Gregory mentioned about people on Oak Island who are looking for a treasure. Some people have wasted their lives looking for the treasure that they are not sure if it even exists.

Next!

Livonia, MI

All Michigan Treasure Hunter club members are invited to attend the 6th Annual Can-Am Hunt! Alternating each year from U.S. to Canadian soil, the hunt this year (or should I say hunts!) will take place in the U.S. on Sunday, April 27th at John Stymelski Veterans Park in Livonia MI. Michigan Treasure Hunters is the host club for 2014, and we will be welcoming our metal detecting friends from the Chatham-Kent (Ontario Canada) club to this year's event.

Three hunts will be held during the day. The first two are FREE to members of the two host clubs while the third is a mere \$5 entry fee.

The plan is to have a hunt starting at 11 a.m. sharp, followed by a break for lunch, and two hunts in the early afternoon. There will be domestic and foreign coins a plenty -- old and new -- over the course of the three hunts. There will be hundreds of silver coins and plenty of tokens redeemable for prizes in the ground as well. Gold prizes too. I will be displaying the coins you could find and prizes to be awarded at the April 22nd MTH Open House Meeting. I invite you to come take a look at the display!

The club will again be providing some food, beverages (pop/water) and picnic related items like plates, utensils and napkins. I ask that if you plan on attending the hunt this year, that all U.S. members/families bring a dish to share as part of a potluck lunch.

Pot-luck suggestions: If your last name starts with A – O bring an appetizer or something similar; P – Z a salad, fruit or dessert.

Remember to also bring a small hand digging tool (please no large shovels -- the coins will not be buried that deep), an apron and headphones for your detector.

Dress for the weather! Plan on the hunt taking place rain or shine -- unless a freak snow storm or unsafe weather conditions causes a postponement.

Also -- as a reminder -- remember to fill your holes on the day of the hunt and only one hunter per detector, please! If you have any questions, please contact me at jwick01@yahoo.com.

This is one of the premier hunts of the year for the members of the Michigan Treasure Hunters. If you would like to become a member, please contact me at the email address above, or come to one of our meetings in Livonia, MI.

Thanks and Happy Hunting! Hope to see you out there!
