## *Our Club*

Our club is a group of people interested in recovering artifacts, coins, and other interesting items from the past and various historical research topics. Meetings are held on the last Thursday of every

month at the back door behind Evangel Community Church on 76 Sandy Street in Chatham. Guests are always welcome. At each meeting members may enter their finds of the month in the Finds of the Month Competition. The programs consist of talks by club members or invited speakers, slide or video shows, artifacts displays or demonstrations of new products.

The club maintains a small library of books, magazines and maps, which may be checked out for one month.

Our club strives to improve the public image of detector users and other amateur historical collectors. We therefore abide by the Code of Ethics.

We can be contacted by email at

## *Can- Am 2013*

Minelab Canada is pleased to support and sponsor the Can Am Hunt!

Based upon the information provided, Minelab will provide embroidered Minelab ball caps, re-usable Minelab shopping bags, up to 75 "Go Minelabbing" TShirts for participants.

Further to this, I wish to offer a few special prizes.

- 1) One Minelab GeoCoin (Limited Edition)

- 2) Minelab X-Terra 305 Metal Detector

The Special Prizes should be offered in a raffle draw which every registered participant is equally represented for a chance to win. In order to qualify to win either prize, you must wear the Go Minelabbing TShirt for the event!

In return of the support, I ask that we are supplied with a list of registered participants including email addresses (volunteer basis only) for our database. Furthermore we love plenty of pictures and a brief synopsis of the event to use in

our promotional blog. The Minelab Logo should be used in all promotional material related to the event and displayed on both Club websites.

I trust this should be acceptable (same as we did for CKMDC Event).

Let me know your thoughts, comments and suggestions.

Regards

Jack Summers

## **Joke Of The Month**

**A successful rancher died and left everything to his devoted wife. She was a very good-looking woman and determined to keep the ranch, but knew very little about ranching, so she decided to place an ad in the newspaper for a ranch hand.**

**Two cowboys applied for the job. One was gay and the other a drunk.**

**She thought long and hard about it, and when no one else applied she decided to hire the gay guy, figuring it would be safer to have him around the house than the drunk.**

**He proved to be a hard worker who put in long hours every day and knew a lot about ranching.**

**For weeks, the two of them worked, and the ranch was doing very well.**

**Then one day, the rancher's widow said to the hired hand, "You have done a really good job, and the ranch looks great. You should go into town and kick up your heels." The hired hand readily agreed and went into town one Saturday night.**

**One o'clock came, however, and he didn't return,**

**Two o'clock and no hired hand.**

Finally he returned a round two-thirty, and upon entering the room, he found the rancher's widow sitting by the fireplace with a glass of wine, waiting for him.

She quietly called him over to her..

"Unbutton my blouse and take it off," she said.

Trembling, he did as she directed. "Now take off my boots."

He did as she asked, ever so slowly. "Now take off my stockings."

He removed each gently and placed them neatly by her boots.

"Now take off my skirt."

He slowly unbuttoned it, constantly watching her eyes in the firelight.

"Now take off my bra.."

Again, with trembling hands he did as he was told.

She then looked at him, slowly and emphatically said to him, "If you ever wear my clothes into town again, you're fired."

I didn't see it coming, either !!!!!

*Happy Detecting!*
