Always the last Thursday of the month

Our Club

Our club is a group of people interested in recovering artifacts, coins, and other interesting items from the past and various historical research topics. Meetings are held on the last Thursday of every month at Erickson Arena 341 Delaware St. Chatham. Guests are always welcome. At each meeting members may enter their finds of the month in the Finds of the Month Competition. The programs consist of talks by club members or invited speakers, slide or video shows, artifacts displays or demonstrations of new products.

The club maintains a small library of books, magazines and maps, which may be checked out for one month.

Our club strives to improve the public image of detector users and other amateur historical collectors. We therefore abide by the Code of Ethics.

We can be contacted by email at
Info@ckmetaldetecting.com

Stoney Point/Grimsby Hunt

The hunt is slated for the 28, 29 May 2016, Garry and Rick are asking for one or two volunteers to man the sales table while the hunt is on. <http://www.metaldetectinghunt.com/>

Mystery Items

Dave brought 20 bullets and we were asked to find the 2 items that were not bullets.

CAN-AM Hunt 2016

The place and date still hasn't been decided on yet. The club will donated \$300, in coins and rings. Motion was made and carried. The members who attended will donated \$20 back to the club to offset the cost as not

everyone is able to attend a Michigan Hunt. Since the Michigan club purchases Pizzas, wings and bring many potluck dishes. It was suggested that those who attend donate \$5 tp \$10 to help offset the cost of the food.

Membership Dues

The membership dues are now payable. If you have not already paid, please bring in your dues at the next meeting.

Radio World

Julie won the best find from Radio World. She has graciously donated the \$200 gift certificate back to the club to be used as a prize for the Scavenger Hunt

Julie will also contact Radio World to see if they will again be a sponsor for the Fall Hunt.

Scavenger Hunt

Sheets were handed out for the Scavenger Hunt. The Hunt will end in November, with the one finding the most items will wind. Keep your finds as they may need to be verified

Road Trips

The Grand Bend weekend has been tentatively booked for 9 – 11 Sept 2016

We are looking to see if there was any interest in doing a hunt at Wassaga Beach.

Recovery Services

It was suggested that we setup a web page on your site to highlight the items that people have contacted to help them find. With the future possibility to have a plaque or picture hung in the meeting room to make these finds.

Future of the Club

A discuss took place over how the club is run and any suggestions for possible changes to how the meetings are run to how we do events.

Something Different?

It was brought up about a possible new layout for "finds of the Month"..something along this format could be laid out on a piece of Cream canvas and permanently marked...May be easier and quicker for the layout table

Joke Of The Month

Last month, a world-wide telephone survey was conducted by the UN.

The only question asked was:

"Would you please give your honest opinion about possible solutions to the food shortage in the rest of the world?"

The survey was a complete failure because:

In Eastern Europe they didn't know what "honest" meant.

In Western Europe they didn't know what "shortage" meant.

In Africa they didn't know what "food" meant.

In China they didn't know what "opinion" meant.

In the Middle East they didn't know what "solution" meant.

In South America they didn't know what "please" meant.

In the USA they didn't know what "the rest of the world" meant.

And in Canada, Australia, New Zealand and Britain everyone hung up as soon as they heard the Indian accent.

No Pun intended. Just a joke.
