Always the last Thursday of the month

Our Club

Our club is a group of people interested in recovering artifacts, coins, and other interesting items from the past and various historical research topics. Meetings are held on the last Thursday of every month at Erickson Arena 341 Delaware St. Chatham. Guests are always welcome. At each meeting members may enter their finds of the month in the Finds of the Month Competition. The programs consist of talks by club members or invited speakers, slide or video shows, artifacts displays or demonstrations of new products.

The club maintains a small library of books, magazines and maps, which may be checked out for one month.

Our club strives to improve the public image of detector users and other amateur historical collectors. We therefore abide by the Code of Ethics.

We can be contacted by email at
Info@ckmetaldetecting.com

July Fun Hunt

It was agreed to cancel the July hunt due to the number of people who will not be able to attend. It was also agreed to put the money that would have been used for this hunt and add it to the money set aside for the Fall Hunt.

Grimsby/Stoney Point Hunt

Between the Treasure Chest and the 50/50 raffle we took in \$1342. This year attendance was down 90 people showed up for the hunt verses 95 for last year. There were also a few clubs selling tickets on various prizes and raffles. There were also fewer prizes to be won than in previous years. This is probably due to the fact that the club had new people organizing it this year.

Radio World: The Hunt at Haiwatha

Radio World and Garrett put on a very good hunt on Toronto Island. Only 50 people showed up for the hunt which meant there was a very good prize to participant ratio. Along with the 7 metal detectors and pin pointers there were many other prizes as well as goody bag. The Seeded hunts had many coins of value. After the seeded hunt, Radio World had got permission to hunt the island and prizes were awarded for the different type of treasures found.

Gary won a prize metal detector Ace 400 and a pin pointer for the most historical find. Congratulations Gary! Radio World is offering a 10% discount to club member on any detector purchase until 1 Sept.

Hall Rental

It was agreed to pay for 6 more months for the hall rental.

Lost Jewelry Hunt Recovery

Phil went out to recover a lost ring but the owner was not sure of where they had lost the ring. The hunt was unsuccessful but the person donated \$20 to club for the effort.

Grand Bend Weekend Hunt

The hunt date has change to the 16, 17 &18 September. To keep the cost to \$50 person for the week end we need 12 people. 8 people have already paid, contact Julie if we wish to attend and reserve your sleeping spot. We will also try and get permission to hunt the Boy Scout Camp. Gary paid for the deposit out of his own funds and the club will re-pay him.

Can - Am Hunt

The hunt has been set for the Sunday 28 August 2016 at the John Stymelski Veterans Park, 14275 Stark Rd. Livonia Mi. Final details have not yet been worked out. Those that attend the event are asked to donate \$20 to club to help offset the cost of this hunt.

Christmas Dinner

It was agreed to have the dinner at the Country View Golf Club on Hwy 40. The cost is \$17.95 per person, for a buffet style dinner. It will be Saturday 3 December at 5:30. We will follow the same format for the gift exchange as last year with a \$25 limit.
