Our Club

Our club is a group of people interested in recovering artifacts, coins, and other interesting items from the past and various historical research topics. Meetings are held on the last Thursday of every month at Erickson Arena 341 Delaware St. Chatham. Guests are always welcome. At each meeting members may enter their finds of the month in the Finds of the Month Competition. The programs consist of talks by club members or invited speakers, slide or video shows, artifacts displays or demonstrations of new products.

The club maintains a small library of books, magazines and maps, which may be checked out for one month.

Our club strives to improve the public image of detector users and other amateur historical collectors. We therefore abide by the Code of Ethics.

We can be contacted by email at
Info@ckmetaldetecting.com

Hey Rick,
Things are going pretty well. Thanks for the email.

Plans are definitely on track for a 2016 Hunt. While I haven't firmed up the date just yet, I do realize that we will be better served having it perhaps a little later this year. Hopefully, then, the weather will cooperate w/o sub freezing temps :)

MTH is continuing to hold monthly raffles to support raising funds for coinage and prizes. I've already purchased some coins and will have a bunch more to buy over the course of the next 4-6 months. Consistent with previous years, I plan on having well over \$1000 in buried value and prizes, incl. gold and silver, etc. We also hope to have a detector raffle and of course food for the hungry masses.

Should be another good one, and considering it's a free hunt, one of the best bargains a club membership can provide.

I'll probably look to firm up more of the details as we start the new year. So I will get in touch with you after the holidays.

Jerry

Hello Jerry, hope everything is well with you and your family....having lots of fun with the detector that was delivered to your place and I picked up. I guess I have been elected as sole spokesperson at our end for the Can Am hunt. The way things went last year got a bit screwed up with lack of or too much communication. Hopefully we can get over this and hope fully get together for another Can Am hunt. Our exec has asked me to contact you and see if we are a go for Can Am this year? I know our group is...hoping to hear back from you soon....Thanks, Rick
