Always the last Thursday of the month

Our Club

Our club is a group of people interested in recovering artifacts, coins, and other interesting items from the past and various historical research topics. Meetings are held on the last Thursday of every month at the back door behind Evangel Community Church on 76 Sandy Street in Chatham. Guests are always welcome. At each meeting members may enter their finds of the month in the Finds of the Month Competition. The programs consist of talks by club members or invited speakers, slide or video shows, artifacts displays or demonstrations of new products.

The club maintains a small library of books, magazines and maps, which may be checked out for one month.

Our club strives to improve the public image of detector users and other amateur historical collectors. We therefore abide by the Code of Ethics.

We can be contacted by email at
Info@ckmetaldetecting.com

Official minutes of the Chatham Kent Metal Detectors Club

By: Dale Eagleson

Dale read the minutes of our last meeting, and was passed by all.

Old Bussiness

The subject of the Can Am hunt came up and Andy had the floor stating that for the hunt coming up on Sunday, there will be detours in the area of Livonia, and by detouring down Telegraph rd, then to 5 mile, and west to the park may be the easiest route. It sounds that our GPS'S and patience will be tested to arrive on site! Pres Rick asked for a show of hands as to how many plan on going, and there looks as if there will be a good crowd going!

New Bussiness

We spoke of our treasure chest raffle coming up for the Grimsby hunt at the end of May. It has built up nicely and anyone wishing still to donate to it, can be dropped off at Gary's house, but do not hesitate too long as we would like to be able to take pictures before we leave so people can see exactly what we have in the chest. This way people will not be allowed to handle any items inside the chest as there is also a brand new \$100 bill inside! So, I would say, providing Rick remembers to take the chest this year, we are all set! Booya!!

Remember, you do not have to spend the whole weekend there, you can go and enter just for the day if you wish. Any extra help to run our table will be much appreciated. The hunt is being held May 24 weekend at the fifty points conservation area in Grimsby Ont., by Hamilton.

We received some excellent news that Dave Crundwell is recovering nicely from his surgery, is gaining back his stamina and is just about ready to take us all on at the next hunt. Way to go Dave!, He stated his luck has changed with his new detector and has found a gold ring in Toronto beach.

The subject of our donation to the Grimsby hunt came up and Phil made a suggestion that for our donation, instead of cash, we donate "Hector the Detector" as a Prize. It was voted on with a show of hands and passed. It seems there was not enough interest in the club to carry Hector on as a raffled prize amongst our own club.

The next subject brought up was the topic of guest speakers for the club, and Phil stated the list was being worked on and soon to be complete. A suggestion was made to put some sort of financial cap on the cost of the invites, and possibly have a few changes.

The topic of a yard-sale came up and it was discussed when and possibly where we may hold one. The issue of just who and where the items may be stored and who would be conducting this sale came up. There were 2 volunteers so far. It was discussed to possibly bring the items to the next meeting. This topic will be looked into further in the future,
