Always the last Thursday of the month

Our Club

Our club is a group of people interested in recovering artifacts, coins, and other interesting items from the past and various historical research topics. Meetings are held on the last Thursday of every month at the back door behind Evangel Community Church on 76 Sandy Street in Chatham. Guests are always welcome. At each meeting members may enter their finds of the month in the Finds of the Month Competition. The programs consist of talks by club members or invited speakers, slide or video shows, artifacts displays or demonstrations of new products.

The club maintains a small library of books, magazines and maps, which may be checked out for one month.

Our club strives to improve the public image of detector users and other amateur historical collectors. We therefore abide by the Code of Ethics.

We can be contacted by email at
Info@ckmetaldetecting.com

Guest Speaker: No speaker this month

It was agreed to spend \$200 on the July hunt, money to be give to Phil for the prizes etc.

The guests were given a warm welcome and the club activities were explained to them

Get Well cards and wishes went out to Gary Rylett, who is recovering from his knee surgery and Dale Eagleson, who broke his arm.

A discuss took place on the funds that are in the treasury. The consensus was to keep in mind what a new

meeting place will cost, if we increase the monthly fun hunt amounts

June Fun Hunt:

We had 20 members participate in the hunt. The weather was perfect and everyone enjoyed the hunt.

July Hunt

The July Hunt will take place in Erieau on Saturday, 18 July 9:00 am to 12:00

Future Hunts

The Fall Hunt is scheduled for the 26 Sept.

The joint hunt with the London club to be held in Port Stanley, is tentatively scheduled for 3 October, 2015.

Radio World is looking into holding a hunt in Toronto on the 19 September. As more information comes forward it will be passed on.

Grand Bend

The cottage rents for \$600 and is available the weekend of 11 to 13 September. The cottage will accommodate about 14 people. We had 8 people committed to go, if anyone else would like to go, please contact Julie. It was also decided if not enough of our members commit to the weekend we will invite people from the London club to join us. It was agreed to let Julie book the cottage and pay the \$120 deposit.

Meeting Place

We are still trying to find a new meeting place. We are asking all members to reach out to their contacts to see if they can find something suitable for the club to meet. Our guest, Bob offered to reach out to a local service club to see if we could rent their space at a reasonable price.

Guest Speakers

We are looking for suggestions for guest speakers to give a presentation at the meetings.

Constitution and By-Law Review

This was reviewed and amendments were made to several sections and updated. Greg will email a copy to everyone.

Hunting Sites

Julie reports that she is filling her money jar, by going to Tecumseh Park after the Wednesday night concerts.

Coin News

The mint will be putting \$5.00 coins into circulation starting in 2017, this will make hunting a little more profitable.

There are counterfeit toonies from Quebec in circulation, the operation has been shut down, but these coins may become valuable in the future.

The mint is also doing a metal recovery program and as such are melting down more coins for their base metals.

Membership List

It was agreed to send everyone a list of members and their contact information.

Jokey Of The Month

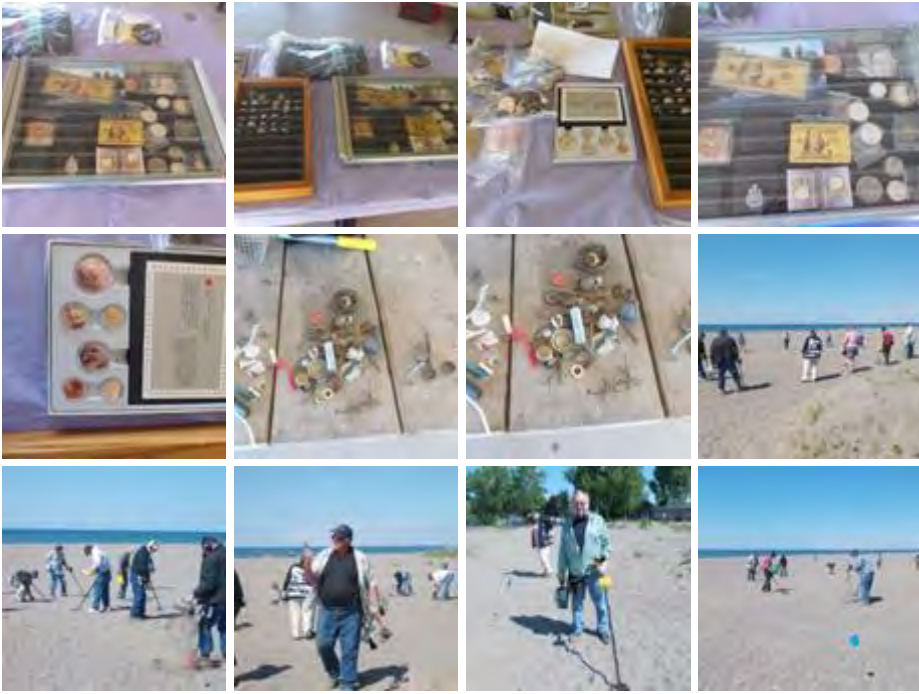

Perspective of an Aging Man

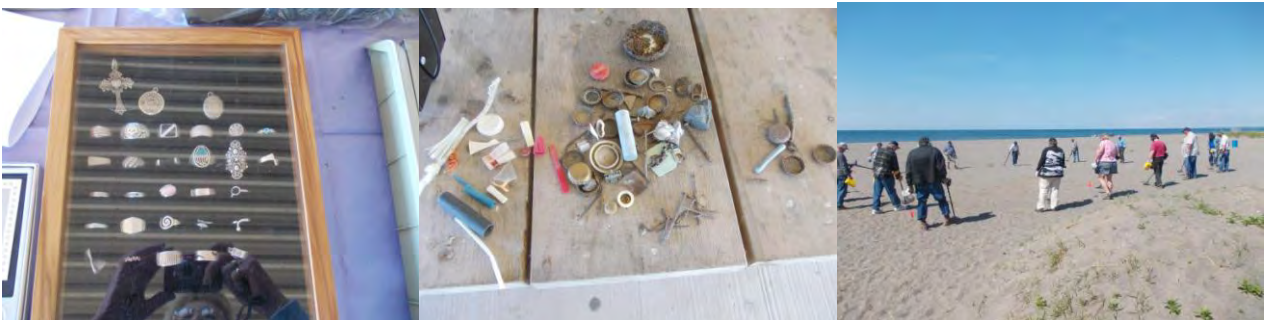

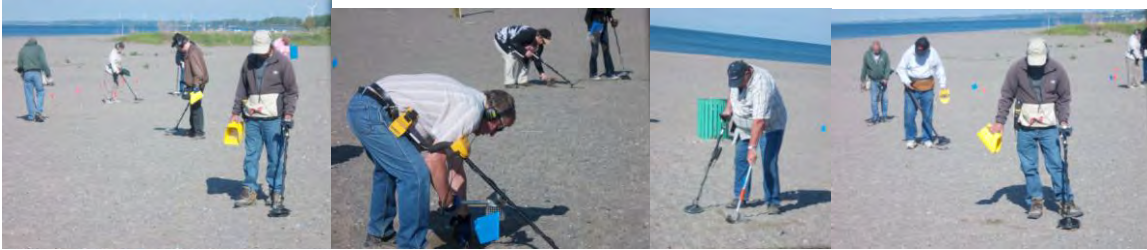

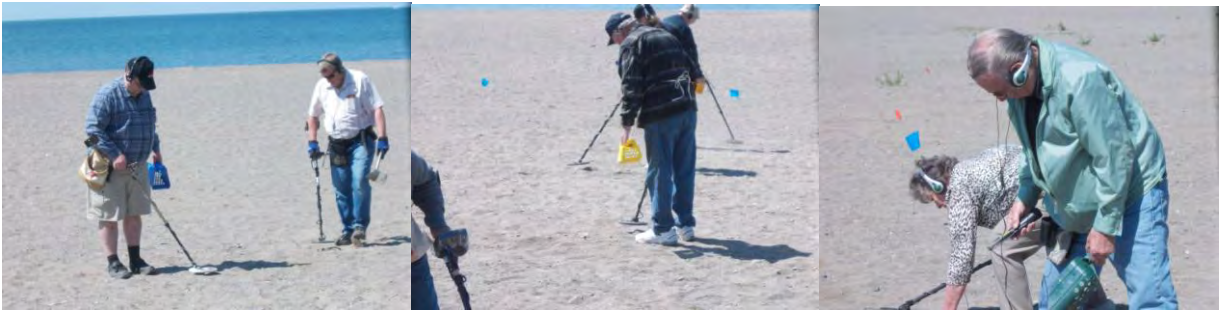

Yesterday, I was walking down the street holding hands with my wife. I suddenly dropped her hand, and grabbed my cell phone to take this picture. She hit me in my chest and wouldn't talk to me the rest of the day. Last night she asked me "How could you?" I said "How could I not? It's not every day you see a dog driving a car."
